

Rebate Program: Walk-through Audit Form

Instructions: Use this form if you (the homeowner) got a comprehensive energy audit done by a Maryland Home Performance contractor six months prior to your Rebate Program application date. In that case, a Maryland Home Performance with ENERGY STAR contractor must do a walk-through audit and complete this form with you.

For Rebate Program information, visit www.energy.maryland.gov/homeperformance
To find a Maryland Home Performance contractor, visit: www.mdhomeperformance.org

Customer Name: _____

Customer Address: _____

Today's Date: _____

Name of Energy Auditor: _____

Company: _____

Please check one below:

- ☐ I have conducted a thorough inspection of this home and, having read through the attached homeowner's energy audit report, can attest that no major modifications, improvements, upgrades, or combustion appliance replacements have been implemented since the energy audit report was written, and that the recommendations of the report are still accurate.
- ☐ This home has had improvements done since the previous energy audit.
The homeowner will need to get another comprehensive energy audit done.
